## Internship Description

**Title:** Junior Sales and Marketing Executive L1

**Job Type:** Internship

**Remuneration:** Unpaid

**Company:** CyberinfoGa Services Private Limited

**Location:** India (Remote)

**About Us:** CyberinfoGa is a leading provider of cyber security and IT services, founded in 2024. They offer a range of services including mobile device forensics, email forensics, disk imaging, and digital media analysis. Our mission is to provide top-notch solutions that enable businesses to operate securely and efficiently in the digital age. We are committed to staying ahead of industry trends and offering customized solutions. We also provide comprehensive training programs, cyber law workshops, website design, development, and digital marketing services.

Join us and be a part of a dynamic team that is shaping the future of cyber security and IT services.

**Description:** We are seeking a dynamic and results-driven Junior Sales and Marketing Executive L1 to join our team. We also offer opportunities for career growth and professional development.

### Key Responsibilities:

1. Identify and target potential clients for Cyber Security and IT services.
2. Develop and implement effective marketing strategies to attract new clients.
3. Build and maintain strong relationships with clients to ensure repeat business.
4. Present and promote our services to prospective clients through various channels.
5. Collaborate with the technical team to ensure seamless project delivery and client satisfaction.
